

The *Coorg Institute of Dental Sciences* has an active MoU with *TutorComp* to facilitate training for the NEET MDS examinations.

TutorComp is an educational institution promising an inclusive model of education tailored for students with different levels of learning ability. They ensure assessment of every student's needs to understand and set specific academic goals and assessment methods with custom lesson plans.

Through the MoU an examination is conducted by TutorComp annually, to select students for scholarships to undertake the training.

Students interested in being a part of TutorComp and participating in the scholarship exams are requested to contact us through the *E-mail: cids_coorg@cids.edu.in*
