to Sunil, Prof

Dear Prof Ibrahim Abu Hassan

We have selected two students presenters for the presentation at 5th Dental students Symposium in UITM, Malaysia on April 15.

The selected topics are:

- 1-The loops revisited a removable appliance
- 2- Evaluation of effectiveness of manipulation tools in digital radiography - A panoramic radiographic study

The abstracts are structured as per the guidelines and the presenters are undergraduate students from 4th year BDS students- Monisha Uday & Divyashree.

Please find the abstracts in the attached file & suggest if any corrections required.

We are yet to plan our travel dates, will let you on finalizing on this.

Await your reply.

Warm Regards

Dr B.M. Shanthala

Dear Dr Sunil,

Kindly find the attached abstracts that have been reviewed and few suggestion from the reviewer. These abstract will appear in the "Programme Book" of the upcoming symposium, therefore we advice the authors to pay some extra attention on the scientific content, English language and format of the abstract. I also attached here the abstract's guideline for the author's reference.

We hope to receive the final abstracts from the authors by Wednesday (6th April 2016) for the purpose of compiling and printing of the Program Book.

Many thanks,
Symposium Organising Committee

Dear Prof Ibrahim,

We were glad that your students and faculty were with us at Coorg and hope they enjoyed their stay. We will be sending their certificates by air mail postal soon.

Thankyou for the invitation to our students for the UiTM student symposium. We have shortlisted two students. Their names and presentation details will be mailed to you shortly.

Two of our interns wish to come for a 2 week student exchange to UiTM in May 2018. Please let me know if it is possible and convenient for you to have them. .

The collaborative study with the Department of Periodontics is proceeding well. It has been registered in the Clinical Trial Registry of India (CTRI/2018/03/012278). The subjects will be recruited for study from now and we shall share the data for joint publication once completed.

Warm regards

Dear Prof Sunil

INVITATION TO PARTICIPATE IN THE 8th DENTAL STUDENTS SCIENTIFIC SYMPOSIUM 2018, UNIVERSITI TEKNOLOGI MARA, SUNGAI BULOH, MALAYSIA 2-3 APRIL 2018

Warm wishes from the Faculty of Dentistry, Universiti Teknologi MARA.

We would like to invite your undergraduate students to participate in our 8th Dental Students Scientific Symposium 2018.

The symposium is scheduled for **2nd & 3rd of April 2018 (Monday & Tuesday)**. This symposium provides a golden opportunity for dental students to gain valuable experience that will enhance their knowledge in research, improve their communication skills and allow them to interact with others that have similar interests. We look forward to your participation in this symposium to foster a good relationship among the researchers and other participants.

A fee of USD 60 USD will be incurred for two students. The fee will cover registrations, accommodation for three (3) night airport transfer and meals during conference. We will provide complimentary registration for a presentation which may consist 1-2 students. This includes accommodation, airport transfer and meals during the event 2-3 April 2018. A registration fee of USD 60 will be incurred for additional teams if more than 1 pair are interested to participate.

Dateline of abstract submission is on **15th of March 2018 (Thursday)**. Kindly email the final abstract to fatihah8096@uitm.edu.my. Attached with this letter are the abstract guidelines for your reference.

Thank you for your participation.

Dear Dr. Dewi Farida,

Re - Invitation for the "QUEST" Pan Global Symposium; 27th and 28th February 2018.

On behalf of the International Dental Educationists Association and the Organising Committee; we wish to invite you to attend the 2nd Pan Global Dental Research Symposium under the aegies of International Dental Educationists Association on the 27th and 28th February 2018 hosted by the Coorg Institute of Dental Sciences, India.

The International Dental Educationists Association was initiated by the Coorg Institute of Dental Sciences to face the future challenges of Dental Education and Research free of borders. The founding principals of International Dental Educationists Association is to encourage Research from the nascent stage in the minds of young dental students. It will also focus on a balance in dental curriculum, student fee structures and dental practice across continents in an era of integration. Artificial intelligence slowly but steadily replacing manpower is another area that demands candid research and momentum.

We look forward to welcoming you at the symposium and to enjoy our hospitality.

Dear Prof CH

Request information regarding t our students visit to Hong kong University (HKU) as observers.

We are encouraging our students to overseas university visit and academic attachments with the collaborative institutions from three years.

This year have request from the postgraduates from the department of Pediatric Dentistry to visit HKU in the month of November for this year academic attachment. The preferred dates are from November 25 for the period of one/two weeks

Await for your suggestions.

Warm regards

Dear Dr. Linda,

Re – Coorg Institute of Dental Sciences postgraduate students exchange visit to Universitas Indonesia.

Trust this mail fetches you in good health. I hope to see you at the IDCMR at Kunming, October 18th to 19th.

I have a small favor to ask of you Dr. Shanthala, Associated Dean, International Collaboration and Net Working was in communication with Dr. Melissa for the past 3 months of our postgraduate students visiting for the ISCARD conference at Jakarta from October 9th to 10th and then to continue on an exchange visit to UI from October 10th for 2 weeks.

However, Dr. Melissa as now informed Dr. Shanthala that she lost her brother and was unable to take forward this matter. I am finding difficult to inform my students of this at the last movement.

Would you kindly help in making this visit of the two students possible.

I have herein enclosed the name and department of the students.

Name	Postgraduate Department	Tentative Date of Visit to UI if acceptable
Dr. Navneeth	Oral Medicine & Radiology	October 10 th to 24 th
Dr. Mathumathi K	Public Health Dentistry	October 10 th to 24 th

Dear Dr. Sunil Muddaiah,

As part of the academic exchange agreement between our two schools, I am delighted to inform you that **Mr. Prasertsak Padmarid**, 2nd year postgraduate student from our Residency Training Program (major in Pediatric Dentistry) would be very keen to participate in an elective course at your school in June 2018 to broaden his knowledge and skills in dentistry.

Therefore, in order to provide him with a great opportunity to experience quality dental education and practices at a prestigious institute overseas, I would like to inquire whether it would be possible for your side to accept him for the elective course for 2 weeks.

In addition, I would be most grateful if you could inform us of the most convenient dates (during June 2018) that you could allow the student to participate in the program.

Dear Dr. Melissa,

QUEST 2019 – First call

The International Dental Educationists Association (IDEA) believes that education in dentistry should not aim only at creating capable Dental professionals but also encourage students to discover the inventor / innovator in themselves.

As part of this initiative IDEA organizes 'QUEST' an annual Dental Graduate Science Extravaganza which focuses on providing the undergraduate student a stage to showcase their scientific knowledge and talent in various fields of dentistry.

The first and second edition of this International Student Symposium ; Quest saw over 800 graduate students attending the symposium from all over the world; representing 28 Dental Schools.

The third edition of this event 'QUEST 2019' is scheduled to be held on February 28th - March 1st and 2nd 2019 at the Coorg Institute of Dental Sciences, India. It will include various competitions such as research papers and poster presentations, table clinics and quiz competitions. Please refer the enclosure for the tentative events.

This letter is an invite for under graduate and post graduate dental students from your institution to participate in 'QUEST 2019'.

Program: Pediatric Dentistry Residency Training
Mahidol University, Thailand

Statement of Purpose

I am a third-years resident student of residency training program in Pediatric dentistry at Mahidol university. I am looking for a dental school in another country to visit for my elective course. India have been an incredible country for many reasons. Such as history, culture, movie, people even though technology. Especially dental technology

Coorg Institue of dental Sciences and Mahidol University had a long relationship for a long time. So,This is the first time that I have an opportunity to observe dental work and dental education in India

I would like to observe your dental care service and student's activity in class, especially in Pediatric and Orthodontic department. I am interesting that how to manage behavior in dental treatment for young patient and special care need patient .

Accordingly i am really interesting in dental public health in India , Particularly dental public health in Children around dental school's area or community

This visiting will develop my knowledge and gain my experience. Although it may be the short period but I will joy this time worthy. I am looking forward to visit your dental school soon.

Dear Dr Sunil,
cc: Dr. Shantala

We are sorry for keeping you waiting for quite a while. We have finished circulating the information and selected the students to participate in this year's QUEST competitions. We will send 4 undergraduate students (all male):

1. Alri Bakti Wiratama - 3rd year student
2. Fadjar Seno Adji - 2nd year student
3. Muhammad Fadhil Witjaksana - 2nd year student
4. Dimas Raihan Aditya - 1st year students

They will be accompanied by one teacher **Dr. Mochamad Fahlevi Rizal** (his specialty is Pediatric Dentistry), same field with Dr Shantala, and might be a good chance to start any forms of academic collaboration.

Because the competition is near, we would like to apply Visa documents as soon as possible, and we need the formal invitation letter under these names

Attached are their passport copies (for Mr. Dimas, and Mr Alri their passport are still under extension, I will send them soon)

Please let us know further procedure needed for quest preparation.

Thank you so much for inviting us, and we hope our students will blend well together with your students, and learn a lot from this collaboration.
