MARCH 5 2017

**MARCH 4:**  
 The vegetable carving and T shirt designing competitions were held today. The latter was held in the auditorium. Only two batches participated and they were divided into two teams. Two of the teams took meticulous effort to bring their themes to life while the other two teams just had fun with their vegetables and made various toys. The carving-themed "rape" bagged the first prize.

In one interesting incident, one of the contestants did not let her teammates carve all the vegetables they had. She wanted to save them for the next days cooking event! But inspire of her conservative approach her team still won. Not surprising, considering who her team mates were.

T shirt designing was a new event introduced this year. Lots of students participated and the end results were pleasantly surprising. The eye-catching designs received a lot of admiration, especially one particular design of a wolf howling under the moonlight. A few other designs raised eyebrows.

**MARCH 5:**  
 Cooking without fire is without doubt one of the most anticipated events of the cultural month. Primarily because of the enormous variety of mouth-watering dishes that the crowds can devour upon. From around 3pm today the auditorium was bustling with activity. As the participants prepared one desert after the other, fellow batchmates ran up the hill to the canteen to place the desserts in the freezer. As time passed, hungry mouths slowly gathered outside the auditorium. For some people it was the longest three hours of their lives.

Late in the evening, almost close to 9, after the dishes were finally judged, people flocked inside to consume whatever item they could lay their hands on. One remarkable team had even managed to prepare upto 30 items. It was a foodies paradise.

Not to be outshone by the more popular cooking contest, the Picasos and Da Vincis were busy sketching portraits. Some of the sketches were unbelievably realistic. But not surprisingly, one particular sketch did turn up that made people wonder if the artist was mentally sound.

# Mr and Ms CIDS and Mad ad

## newsletter

March 12 2017

Shringa Nanaiah and Nigam Bopanna became crowned the first ever Ms. and Mr. CIDS. They emerged victorious in a multirounded contest that tested along with physical attributes, the intellectual prowess of the contestants. Shringa looked drop dead gorgeous in her long black dress and Nigam looked stunning in his Jodhpuri suit. Incidentally most of the contestants sizzled the ramp, clad in black. During the talent round some contestants danced while some sang and some performances soared temperatures. Nigam, who described himself a sportsman did not have any on stage abilities to boast about. Cheekily though, he chose to perform a traditional Kodava dance which was received with much cheer. Shringa on the other hand did not hesitate to call herself a stage savvy. Being a performer since a very young age she impressed the audience and crowds alike with a powerful dance performance during the talent round.

Never to be left out, Athul Ramesh also impressed the judges with his energy and enthusiasm. At the end of the programme one of the judges though satisfied with the quality of the contestants, wished that there were more performers.

The Mad ad followed the pageant. And like its name teams tried their their best to induce madness into their acts. If on one hand some teams enacted childish things a few other teams did not think twice before bordering on adult. The performance by the PG's was much awaited and undoubtedly so, they stole the show. Bottles Popped up from strange places, blankets did things that blankets should not do and eye drops were applied at the most inappropriate times. The crowd lost all control and perhaps roared for a complete seven minutes. Even the judge was marvelled by their control and coordination.

BROCHURE OF CULTURALS-  
AGNI-2019

## **CULTURAL REPORT 2018- 2019**

### ***“DANCE, MUSIC AND ART FOREVER FEED THE FIRE THAT BURNS IN OUR SOULS”.***

The month long cultural extravaganza that was AGNI 2K19 began in the month of march with the first,second,third and final year undergraduates,the interns,the post graduates and staffs as separate teams. The inaugural function was held on 6<sup>th</sup> of March,the inaugural ceremony being presided over by our principal Dr KC PONNAPPA,vice-principal Dr JITHESH JAIN and our cultural head Dr GOUTAM REDDY. The events were set afire “literally” with our staffs lighting up the “AGNI” name.

We had 30 events in total that portrayed and challenged so many talents. Our cultural month apart from the usual events,included newer ones introduced by our council such as NAIL ART,WALL PAINTING,COPY CAT,MAN SKETCHING and DANCE DAY and all these events turned out to be a huge success.

The cultural month was one of high spirits,adrenaline rushes and avid celebrations. With the support from our most beloved staffs and the individual team members we were successful in making this one of the most enjoyable cultural events of our college.

## **INVICTUS- 2019**

**‘The life is incomplete without sports. A passion for a dream, a will to work hard and vision created champions’.**

The council batch of 2019-20 conducted a month long sports festival INCICTUS 2019 which was inaugurated by our Dean Dr. Sunil Muddaiah, Principal Dr. K C Ponnappa, Vice Principal Dr. Jitesh Jain on 1/10/2019. The undergraduate, Interns, Postgraduates and staffs were divided into three teams which were Amity, Erudites and Dauntless.

All the three teams showcased the true sportsman spirit throughout the sports month which showed us” winning is not everything but making the effort to win is”.

## **COORG COFFEE CUP 5.0- 25 th to 29 th 2020**

It gives us immense pride to host Coorg Coffee Cup 5.0, which is an all India Invitational Inter- Dental T20 cricket tournament held once in every three years by Coorg Institute of Dental Sciences. The previous editions were held in 2007, 2010, 2013 and 2016. The fifth edition was held from January 25 th to 29 th , 2020 with Dr. Goutam Reddy as the Organizing Secretary of the Coorg Coffee Cup event and Dr. Mallikarjun as the captain of the Coorg Institute of Dental Sciences team.

This year the tournament holds a special place as Coorg Institute of Dental Sciences completed a glorious 20 years. 16 Cricket teams from various dental colleges across southern India took part in this unique T20 Tournament.

The inaugural ceremony was held on 25th evening at CIDS Auditorium which was attended by all 16 participating teams along with students of CIDS. Dean, Dr Sunil Muddaiah welcomed the chief guest Dr Shireen Reginald and Guest of Honour Mr. Raghu Madappa. Cheered by our enthusiastic crowd the function took off with a surprise flash mob and trophy revealing ceremony which was indeed phenomenal. This time we went all out in organising the tournament in four grounds which was excellently planned and managed by the organising committee.

All teams displayed good sportsmanship and team spirit. Four teams qualified for the semi-finals held at Pollibetta elevating the team spirit to new frontiers. The final match was played on 29 th between home team Coorg Institute of Dental Sciences and A. J. Institute of Dental Sciences, Mangalore and had a nail-biting finish. The Coorg Coffee Cup has gathered momentum and has become one of the most sought-after events, the dental fraternity looks forward to. The event set in picturesque Coorg crisp winter added a special charm to the event. Coorg Institute of Dental Sciences thanks everyone for being a part of this mega event and contributing to the success of this event.

The match was won by A. J Institute of Dental College. The winner's trophy was handed over to the captain of winning team Dr. Saran Shetty by the Dean, Dr. Sunil Muddaiah and the runners up was presented to Coorg Institute of Dental Sciences by the principal, Dr. K. C. Ponnappa.

### **LUMINANCE -2020**

**“ when the music and dance create with accord.. their magic captivates both the heart and the mind”**

Art has the power to transform to illuminate, to educate, inspire and motivate with this in the mind the council batch 2019-20 organized the cultural extravaganza ‘ LUMINANCE 2020’, a series of cultural activity which began on 4<sup>th</sup> March 2020 with the first , second , third and final year undergraduate, the interns , the Postgraduate and staff’s as separate teams. LUMINANCE 2020 was inaugurated by our Dean Dr. Sunil Muddaiah and the ceremony was preceded over by our principal K C Ponnappa, Vice Principal Dr . Jitesh Jain and our cultural head Dr. Goutham B Reddy

We had 30 events in total which included new events introduced by our council such as ‘Iconic pair’ snapshot in which categories were included such as ‘landscape’, ‘ Portrait’ and ‘ Recreation’. Apart from these a game session called ‘ Laugh Out Loud’, ‘Dance With Props’ and ‘Best Out Of Waste’ were also newly introduced, but unfortunately we were unable to conduct the whole cultural events due to the pandemic. Even though we couldn’t conduct a month long cultural fest the events we conducted had the spirit which showed us that ART is an adventure that never ends...
