

SECOND MUDULE OF IMPLANTOLOGY CERTIFICATE COURSE - 24TH AND 25TH, 2024

The second module of the implantology certificate course at Coorg Institute of Dental Sciences successfully conducted an implant module on June 24th and 25th, 2024, for postgraduate students of Prosthodontics, Oral Surgery, and Periodontics. Under the expert guidance and supervision of Dr. Vinay Kumar, the two-day module provided a comprehensive hands-on training experience for the students.

The module covered various aspects of implant dentistry, including surgical placement and prosthetic management. The students gained invaluable practical experience in implant placement and restoration, enhancing their skills and knowledge in this specialized field.

The institutes initiative aimed to provide a unique learning opportunity for interdisciplinary collaboration and knowledge sharing among the students. The implant module was a resounding success, and the students appreciated the opportunity to learn from Dr. Vinay Kumar's expertise.

The module has enhanced the students' confidence and competence in implant dentistry, preparing them to provide high-quality patient care. The department's commitment to excellence in dental education is evident through such initiatives, shaping the future of dental professionals.
