

## **FUNDERLAND 2025 – 26th April 2025**

The 13th Funderland, the annual funfest of Coorg Institute of Dental Sciences, was held on 26th April 2025 at CIDS.

The funfest began at 11am and was inaugurated by our Dean, Dr Sunil Muddiah, and Principal Dr KC Ponnappa.

The postgraduates of all departments displayed their culinary skills by hosting food stalls with a wide variety of cuisines. The other stalls of games and rose stalls engaged the participants in fun and frolic.

The undergraduates and teaching and non-teaching faculty participated in the event, who thoroughly enjoyed every aspect of the event. The fest showcased 6 food stalls, 6 games stalls and a huge hit with the rose stall.

The student council conducted centre stage events in which the undergraduate students performed 2 electrifying dances and a game of musical chairs was conducted.

The event was concluded on a sweet note by announcing the Rose King and Rose Queen of the year.
